Such a representation was made to Govt in the year 1922 (Mag No in ct file 310-21) by one B. Krishnaswamy Iyengar the Govt whey consulted were consulted. They were of opinion that the suggested amendment would tend to lower the educational qualifications and that it is necessary to insist on the University certificate Examination as the minimum qualification (Mag No in the same file). 2) For the rules under the Legal Practitioners Reg please see page 82 Vol I Civil Digest new Ed

The minimum qualification in question are as follows

The same question was raised by one Mr B. Krishnamurthi and was discussed in this file No 310-21-(H:X&26). The Chief Court was then Consulted and their opinion was against the change (H:X). The Mr B. Krishnamurthi was directed to move the Chief Court.

7. From
The Regr Mysore University
Letter no 14369 Dt 10.4.1926
Forwards a copy of resolution of the University Council and states that a certificate of having passed the First year Certificate Examination is necessary.

4(1) The opinion of the University Council was called for as to whether the Principals of the Colleges can grant a certificate of having passed the examination in the First year B.Sc class and hence promoted to the Second year B.Sc class to students who intend to apply for Pleaders' certs. They have resolved that a certificate of having passed the First year certificate Examination is necessary in prescribing the qualification for being enrolled as a Pleader. Perhaps it may be necessary ~~as~~ presumed that the University Council are not in favour of permitting the Principals of the colleges to grant to students the certificate of having passed the examination of the 1st year class. 43 The abstract of this Office letter of 9.3.26 as given in the preamble to the Resolution is not correct, as the University were not asked to give their opinion as to whether certificates of having passed the first year class exam" issued by the Principals may be considered as sufficient minimum qualification for enrolment of Pleaders. In regard to this point Govt expressed their opinion that Students with this qualification might be allowed for Pleaders exam" & Govt wanted the University Council to state if there is any objection to the grant of such certificates by the Principals of the colleges. This position does not seem to have been clear to the University Council when they passed the Resolution in question, unless the Resolution is to be construed to mean that they are not in favor of entrusting the Principals to issue certificates of the kind referred to above.

The clause evidently differs in wording much from the old Rules, and I beg to request that you will kindly enlighten me on this particular item, as I am one of those interested in the affair, and intend taking up for Pleadership Begging to be excused for the trouble and thanking you for an early reply,

Sir,

I have the honour to request you kindly to inform me whether I am right in assuming that the words "a certificate of having passed the examination at the end of the first year of the College course of the Mysore University" in the Mysore Gazette, August 1925, part II, page 344, mean a certificate of having passed the promotion examination. I presume that the "First Year Certificate Examination" is not meant.

It is proposed to consult the University as to whether the Principals of the colleges may not be empowered to grant certificates of having passed candidates all the subjects in the examination at the end of the first year of the college course. The file has been sent to I member (Vide Dno 2915). The orders on the file may perhaps be awaited

recommending the amendment of Rule 2(c)(1) of the Rules

The Registrar,

Mysore University, Mysore.

Sir,

I am directed to invite refetence to Resolution No.7 brought by Mr.B.Abdur Rahmon in the last September Session of the Legislative Council ~~re the qualifications~~ for the enrolment of Pleaders named under Section 10 of the -- Legal Practitioners Regulation and the discussions thereon including the - President's reply accepting the principle of the motion with the amendment, viz., ' not merely finished the course but passed the examination for promotion'

2. The rule referred to requires persons intending to enrol themselves as Pleaders to produce at least a certificate of having passed the examination at the end of the first year of the College course of the Mysore University. The Chief Court interpret the rule with reference to the Certificate Examination held at the end of the -- First year of the B.A.course and insist upon the production by the candidate of a certificate from the University of having passed the said examination. It may so happen that a student has completed his course for the B.A.examination without sitting for the Certificate Examination at the end of the first year, and such a student will not be eligible unless he takes the B.A.degree, for being enrolled as a Pleader, since he cannot produce the certificate of

having passed the said examination. This is felt as a hardship and the question of revising the rule so as to admit the latter class of candidates also, is being pressed on the attention of Government for some time past and the resolution moved in the Legislative Council referred to is the latest attempt at getting the rule modified.

3. In view of the fact that the Certificate Examination and the Class Examination held at the end of the first year of the B.A.course are of the same standard Government consider that, ~~in the cases of~~ persons who have passed the Class Examination may be allowed to appear for the Pleader test. the Principals of the Colleges ~~may, if there be no objection, be allowed discretion to grant~~ can grant, a certificate having to the Examination & ~~to~~ a student who intends to apply for the Pleaders test with a view to get enrolled as a Pleader, ~~a certificate~~ to the effect that he was promoted to the second year B.A.class on his having passed in all the subjects in the class examination held at the end of the first year of the course.

~~4.~~ I am to request you to kindly ~~obtain and forward~~ favour Govt with the opinion of the University Council ~~in the matter~~ as to whether there is any objection to the Principals of the Colleges being permitted to issue such Certificates.

Sir,

With reference to your letter No.P.4316/C.B.65-25-6 dated the 9th March 1926 calling for the opinion of the University Council as to whether for purposes of the rules for the enrolment of Pleaders, Certificates of having passed the 1st year class examination issued by the Principals may be considered as sufficient minimum qualification and whether there is any objection to the Principals being permitted to issue such certificates, I am directed to state that the question was considered by the University Council at their meeting held on the 20th March 1926 when it was resolved that that a certificate of having passed the First Year Certificate Examination is necessary.

A copy of extract from the Proceedings of the meeting of the University Council is enclosed.

Sir,

With reference to your letter No.14369 dated 10th April 1926, in the matter of issue of certificates to students who have passed the class examination at the end of the First Year College course of the Mysore University and who intend to enrol themselves as Pleaders, I am directed to observe that there is some misunderstanding as to the point on which the Government requested the opinion of the Council and that the resolution of the Council does not help to solve it. A resolution was moved in the Legislative Council that for purposes of enrolment as pleaders a pass in the Class Examination at the end of the First Year College Course may be recognised instead of a pass in the first year certificate examination. As the Government have accepted the resolution, I am to request that necessary instructions may kindly be issued to the Principals of Colleges to grant to candidates who have passed the class examination, certificates to that effect when they ask for the same.

B. NAGAPPA, Esq., Bar-at-Law,
Secretary to Government,
Local & Legislative Departments.

Sir,

I am directed to acknowledge the receipt of your letter No.P.211 (2) Cts. 65-25-9 dated the 10th July 1926, requesting to forward for the sanction of Government certain amendments to the rules for enrolment as pleaders.

2. In reply, I am to state that it is not clear from your letter whether Principals of Colleges now grant to candidates who have passed the class examination at the end of the first year college course of the Mysore University, certificates to that effect when they ask for the same.

3. In this connection I am to forward herewith for the information of Government a copy of letter dated 29th July 1926 from the Registrar of the Mysore University, from which it will be seen that the standard insisted upon in the case of the First Year Certificate Examination is different from that applied to the First Year Class Examination, and that the strictness of scrutiny exercised in the case of the former examination is on the basis of a public University

Examination, while in the case of the latter, it is more for purposes of promotion by the College Council.

4. I am to observe that the Chief Court apprehends that if a mere pass in the class examination is to be substituted for the First Year Certificate Examination, it may result in a lowering of the general educational qualifications which are very necessary in the case of candidates applying for enrolment as Pleaders. The Chief Court is not aware whether a pass in the class examination has been accepted as a qualification for admission into other vocational Colleges, e.g. Medicine, Engineering, etc., and considers that it may not be expedient to make a departure in the case of the profession of law alone.

5. For these reasons, I am to request that Government may be pleased to reconsider the question of the sufficiency of a mere class examination for purposes of enrolment, instead of the First Year Certificate Examination as at present.

6. I am to add that it is understood that the University Entrance and the First Year Certificate Examinations will be done away with and in their place the Intermediate Examination will be substituted with effect from 1928, and to enquire whether in these circumstances it is necessary to introduce, at this stage, any amendments regarding qualifications for enrolment as Pleaders.

TMN/2

Letter No R.O.C.67 dated 26th July 1926 from the Registrar, Chief Court, Bangalore, regarding 1st Year Certificate Examination and 1st Year Class Examination.

(a) What is the distinction between Certificate Examination and Class Examination for promotion?	(1) Students for the 1st Year Certificate Examination are required to pay a fee of Rs.10 and if they obtain the prescribed minima according to Ordinances 74 and 77, they will be declared to have passed and granted Certificates. This is not the case with regard to class examination which is conducted purely with a view to regulate promotion.
	(2) Certificate candidates are required to answer the English Composition and English Prose Papers of three hours each, whereas non-Certificate candidates will answer the same papers for two hours. The number of questions also vary, i.e., if there are five questions three must be attempted by Certificate candidates and two by non-certificate candidates.
(b) Whether the same printed question papers are availed of for both in regard to all or some of the subjects.	Yes, with regard to all subjects.
(c) * * *	* * * *
(d) The maximum and minimum number of marks for each of the examinations in different subjects and also on the whole.	The maximum is the same as shown in the Scheme. The minimum in the case of 1st Year Certificate candidates is 60 % or more for a First Class, 50% and more for 2nd class and the rest Pass Class. But this is not the case with regard to class Examinations.
(e) Whether the Examiners are the same or different.	Same examiners.
(f) Whether the same strictness of scrutiny is exercised in both.	In the former it is exercised on the basis of a Public University Examination and in the latter, more for purposes of promotion by the College Council.
(g) Any other points not included in the above.	The class examinations are not uniform in standard. A candidate who fails in the 1st Year Certificate Examination may get promotion. In the class examination also the same case. In the case of 1st Year Certificate Examination a candidate must obtain the prescribed minima to secure a Pass.

Sir,

I am directed to invite kind reference to your letter No.P.6391-cts, dated the 22nd June 1926, intimating acceptance by Government of the marginally noted resolution of the Legislative Council and to state that, in accordance with the last part of your letter, instructions have been issued to Heads of Colleges to grant to candidates who have passed the class examination, certificates to that effect when they ask for the same. A note in terms of your letter has also been published in the University Calendar for 1926-27, (vide page 115, Volume I).

That for purposes of enrolment as Pleaders a pass in the class examination at the end of the first year College course may be recognised instead of a pass in the First Year Certificate Examination.

I am to forward herewith a copy of letter No.1916, dated the 21st January 1927, from the Principal, Maharaja's College, together with its enclosures and to request that in the circumstances referred to by the Principal, you will be so good as to take immediate action to issue definite orders in the matter, in the spirit of the orders of Government communicated in your letter. This reference may kindly be treated as very urgent.

Letter No.1916 dated the 21st January 1927 from the Offg. Principal, Maharaja's College, Mysore, to the Registrar, Mysore University.

I have the honour to inform you that there seems to be some discrepancy as to the matter referred to in the footnote on page 115 of the Calendar, Vol.I.

This note expresses the definite instructions of Government. Endorsement No.320/-R, dated 12-11-26 (enclosed) from the Deputy Registrar, Chief Court, to Mr.H.Rama Rao, seems to be in harmony with the instructions except that it requires a certificate from the Registrar whereas the note indicates a certificate from the Principal. It is, however, ambiguous: it might refer to the Certificate examination. Similarly ambiguous is Endorsement No.139/R, dated 14-8-26 (enclosed), from the Registrar, Chief Court, to Mr.A.S.Ramachandraiya. On the other hand, the note is definitely contradicted in the enclosed Endorsement, No.P.3/84/cts., dated 8-1-27, from the Secretary to Government, Local and Legislative Departments, to Mr.G. Narasappa.

Might I request that immediate action might kindly be taken to annul the apparent misunderstanding and secure the carrying out of the instructions of Government referred to in the note ? The matter is very urgent, for several students who, relying upon the note, have not entered their names for the Certificate examination are in some distress about the matter.

With reference to your memo No.13153 dated the 11th February 1927, I have the honour to state that the reply received from the Secretary to Government does not quite meet the problem of several students concerned. Relying on the statement in the Calendar they have not appeared or entered for the Certificate examination. They are now wondering whether there is doubt in the matter. If there is doubt some of them would wish to appear for the certificate examination this year and I have no doubt that in the circumstances, the University would accept their applications though so late. But I am inclined to assume that Government have decided to make the change, and that only the wording is under consideration; and I write to request that, if possible, immediate information may kindly be given me as to whether I may act on this assumption.

2. In reply, I am to state that it would have been preferabl and more convenient if the Government before accepting the resolution in the Legislative Council had referred the matter to the Chief Court for opinion, as under Section 10 of the Mysore Legal Practitioners' Regulation it is the Chief Court that has to make rules as to, among other things, the qualifications for admission as Advocates or as Pleaders. Since however the Government have already committed themselves to a promise that a pass in the Class Examination at the end of the First Year B.A. Course should suffice for enrolment as Pleaders, the Chief Court has no objection to allow the enrolment of such candidates until the next Intermediate Examination is actually held.

3. From a reference to the Registrar of the Mysore University, it is understood that the "First Year B.A. Certificate

Ex-

Examination" and therefore necessarily the "Class Examination of the First Year B.A." will be held for the last time in 1928 and that the Intermediate Examination will be held for the first time in 1929. As observed in your letter, there will be no need to change the rules after the Intermediate Examination is substituted for the 1st year B.A. Examination.

4. Since the first year B.A. Certificate Examination and the Class Examination of the First Year B.A. are to be held for the last time in 1928, it will be sufficient if a date about the end of 1928, say, the 15th October 1928 is fixed as the last date up till which a pass in the first year class examination will be accepted as qualification for enrolment as pleaders, as this would enable all those who have up till now passed such an examination as well as those who happen to pass the examinations held about March 1927 and 1928, who are desirous of being enrolled as pleaders, to be enrolled as such.

5. The Judges consider that it is unnecessary to introduce any amendment in the present rules. The rule as it stands at present requires that " a certificate of having passed the examination at the end of the first year of the College Course of the Mysore University should be furnished", and as hitherto the only certificate that could be granted was in respect of the University 1st year certificate examination, only such certificates were held to come within the purview of the rule. Since, however it has been decided that certificates should be furnished even in the case of a student passing the class examination, it will not conflict with the rule to accept such certificates, and the Chief Court, as already observed, is prepared to accept them till the 15th October 1928 for purposes of enrolment.

6. I am to add that if the Government have no objection -

objection, a Notification will be published by the Chief Court in the Gazette that certificates of having passed the class examination of the 1st year B.A. will be accepted for purposes of enrolment up till the 15th of October 1928, after which date steps will be taken to abrogate para 2(1), - Clause (c) of rule 2 relating to the admission and qualifications of legal practitioners.
